12PM - 1PM

MASTERCLASS FROM IDEA TO EXIT IN 36 MONTHS

KALO YANKULOV
 FORMER
 CO-FOUNDER
 HEADREACH

From idea to exit in 36 months, is it a myth? How did Kalo Yankulov move a walking dead project to become a successful acquisition story? Was it science or pure guts? What should investors look for when investing in startups that have demonstrated accelerated growth in short periods of time and what are some of the key indicators to look for when making considerations outside the usual parameters for an acquisition in startups such as these?

1PM

LUNCH

Presented by:

Sponsored by:

2PM - 3PM

TALK SHOW **WOMEN: THE NEXT WAVE OF ANGEL INVESTORS?**

One of the biggest impact for getting more women on the investing side is to create more women entrepreneurs, is this a fair assumption? So how do we get more women represented in angel and venture capital investing?
